### FAQ's

Who will the parents contact at the school if they plan to pick up lunches on Wednesday?

A link to a Google document will be on our schools website. Please complete this form if you plan on picking up lunches on Wednesday. You will only have to do this one time.... Process has changed since the powtoon video was created.

We will provide at minimum, one device per family. When will families be able to pick up the device?

Yes... Virtual students may pick up their device on Thursday from 12:00 to 3:00 in the Conference room.

Any beginning of the year paperwork will be given out when you pick up a device and if you are not picking up a device you will need to schedule a time to pick this paperwork up.

Email to schedule a day and time.

Where can families have access to free Wifi in your area?

The network will be available in the student parking lot after school beginning at 3:30

Parents.... Your student should work for a minimum of 3 to 4 hours each day on virtual learning. Time should be spent on ALL subjects...not just those the student likes to do.

Students will log on to the learning site through ClassLink.

The username is the student's 19##### State ID number.

The password is still Cullman19.

The web address for classlink is [launchpad.classlink.com/cullman](https://launchpad.classlink.com/cullman)

Students should email their teachers to set up a conference for help.

Parents may change their child to traditional learning on or by September 3rd.
