

Class Meeting Agenda for Homecoming

Students should nominate and choose their grade's homecoming representative.

Students should brainstorm and choose a theme for their float.

Students will need to submit their themes to Ms. Weaver by next Thursday, September 12th.

Ms. Weaver will make sure that we have a variety of themes and that no two floats have a similar theme.

Students should start to gather/purchase their materials for their floats.

Students need to provide their own trailer for each class float.

Mr. Collins will inform students where and when they can work on their floats.
